Additional description

Slim, elegant armchair from the vtwonen collection
Bouclé fabric (96% PES/ 4% PAC) in a steel grey shade
75,000 Martindale, suitable for intensive residential use
H 75 cm x W 68 cm x D 72 cm

This Lofty armchair from the collection of the Dutch brand vtwonen has a rich appearance. Lofty is an armchair with a firm seat and a wonderfully soft, comfortable back cushion. The armchair is upholstered in a strong fabric (96% PES/ 4% PAC), Martindale 75,000 which makes it suitable for intensive living use. The round shapes give the chair a friendly look.

Lofty has a seat height of 46 cm, a seat width of 65 cm and a seat depth of 48 cm. The plastic legs under the chair are 2.5 cm high.

The Lofty frame consists of hardwood, chipboard and plywood. The armchair has a comfortable but firm seat. The seat cushions have a filling of foam T3542, normal foam with a long life span. The back cushions are filled with T2130, which gives you a very soft and comfortable back cushion.

Attention: Because of the construction, this fabric is sensitive to loops. Use a damp cloth and neutral soap to remove the stains/smudges.
