#### Additional description

Natural and pure stool  
Black-painted paulownia wood  
Practical as table and stool  
H 40 x Ø28 cm

This Borre stool is a surprising item in the interior! The stool comes from the collection of the Dutch brand WOOD. The stool is made from paulownia wood, which is the fastest growing hardwood in the world. The paulownia wood is known for its knotty characteristics, cracks and holes in the wood may occur and give this Bikkel its robust character.

For hard floors, place felt glides under the stool. This prevents damage to the floor...
