An armchair like this fits in seamlessly with today's interior thanks to its beautiful mix of materials. Armchair Kaja from the collection of WOOD Exclusive is basic, but stands out because of the timeless mix of black wood and soft fabric. Kaja is upholstered with a velvet fabric (100% PES) in an Army colour, which gives the armchair a playful look and feel.

Kaja has a seat height of 43 cm, a seat width of 55 cm and a seat depth of 49 cm. The legs have a height of 33 cm and are made of black lacquered birch. Armchair Kaja has a maximum weight of 120 kg and weighs 11 kg itself.

On hard floors, place felt glides under the legs. This prevents damage to the floor....
