## PUK ARMCHAIR ALUMINIUM BLACK

## Additional description

Comfortable armchair Black aluminium frame with woven polyethylene structure Nice to combine with hocker Puk H  $72 \times W$   $57 \times D$  78 cm

The Puk armchair from the WOOOD collection is the ideal chair to completely unwind. The large seat and the slightly inclined seat ensure optimal seating comfort. The seat has a woven structure of polyethylene. The frame is made of aluminium.

The Puk armchair has the following dimensions (hxwxd): 72x57x78 cm. The seat height is 41 cm, the seat depth is 40 cm and the seat width is 52 cm. The maximum weight of the chair is 150 kg.

Armchair Puk is suitable for indoor and outdoor use. Protect this piece of furniture against rain, night and winter with a plastic foil or protective cover. If possible, it is better that the furniture overwinters indoors....
