This fabric is the latest fabric version of the beautiful Rodeo series from the collection of Dutch brand BePureHome. This Rodeo Stretched armchair/loveseat is modern, chic and contemporary. This 1.5-seater armchair is spacious and features a beautiful, soft and rich fabric in a sahara shade. With its slim frame and loose cushions, the armchair shows subtly in the living room.

The legs are made of black metal. The seat height is 45 cm, the seat depth is 60 cm and the height of the armrests is 68 cm. This Attika fabric has a special processing method. The cushions are stitched using a unique pleating technique, which gives the Rodeo Stretched series a loose, pleated look, creating a relaxed, lived-in look.

For hard floors, please place felt glides under the legs. This prevents damage to the floor...
