Assembly required

Additional description

Comfortable, sturdy stool
Black suede (100% PES) made from recycled PET bottles
Practical and multifunctional
H 40 x W 80 x D 55 cm

This hocker fits perfectly with the Statement armchair and sofas from the BePureHome collection. The Statement series offers a good basis for multiple living styles. The Statement design is basic, but the robust seat makes it stand out. This stool is wonderfully comfortable and is perfect for use as a footrest with the sofas or the armchair. The Statement footstool is upholstered in a soft suede fabric (100% PES) in a black colour and that gives the footstool a tough look. The footstool is available in several fabrics and colours.

The Statement footstool has a seat height of 40 cm, a seat width of 75 cm and a seat depth of 50 cm. The legs have a height of 15 cm and are made of black lacquered birch wood. Max. weight capacity is 100 kg.

The suede fabric is 100% polyester and is made from recycled PET bottles. This unique technology, ensures a durable and beautiful fabric. The yarn made from recycled material combined with the practical EASY CLEAN functionality makes it easier to remove stains. One metre of fabric is made from 37 recycled PET bottles. The whole production process is less harmful to the environment.

Maintenance

The fabric has a compact weave. T...
