### Additional description

Robust, contemporary dining table top  
Mango wood in herringbone pattern with lime wash finish  
Cool; put together your own dining table!  
H 5,5 cm x W 180 x D 90 cm

Create your own (dining) table with one of the WOOD Tablo table bases and tabletops. How cool is that! This mango wood tabletop has a length of 180 cm and a width of 90 cm, so you can easily sit with 4-6 people at it. The top is 5.5 cm thick and has a beautiful fishbone pattern. The table top has a curved edge on all four sides.

The mango wood is finished with a lime wash finish, which gives the mango wood a kind of white wash layer. This finish improves the overall look of the wood while emphasizing the beauty of the wood grain. This gives the tabletop a tough and robust look with a light look. The tabletop weighs 33.5 kg.

The round and oval Tablo tabletops are pre-drilled to fix the table legs (not the case with the rectangular tabletops). The pre-drilled drilling pattern should be chosen....
