## Additional description

Elegant and atmospheric sideboard  
Mango wood with a natural finish  
Equipped with 3 drawers and 2 doors  
Pre-assembled furniture  
H 75 x W 160 x D 44 cm

Forrest is an elegant sideboard from the collection of the Dutch brand WOOD Exclusive. Forrest is made of mango wood and has a natural finish. Because of the natural material and the warm wood color, Forrest creates an atmosphere in the interior.

The dresser has 3 drawers, namely 1 smaller drawer and 2 large drawers. The small drawer has the following dimensions (hxwx): 10x43,5x33,5 cm. The 2 larger drawers have the following dimensions (hxwx): 17x43,5x33,5 cm. The drawers and doors are easy to open because there is a handle in the upper edge of the frame. Behind the two doors there is 1 shelf, creating two storage compartments. The height of these compartments is 28 cm, with a width of 51 cm and a depth of 39 cm. The leg is made of black metal and has a height of 15 cm.
