A practical storage drawer with cool accents, that is this storage drawer Morris from the collection of the Dutch brand WOOD. This storage drawer is suitable for under the 1-person Morris bed. The storage drawer is sprayed in the cool color clay and is made of solid pine with a rustic finish. Handy for extra storage space!

This storage drawer is part of the room Morris, this room consists of a 1-person bed, this bed drawer, a desk, a closet and a bedside table.

Rough sawn wood This piece of furniture is made of rough sawn wood. This means that the wood has been sawn across, giving it a rustic sanded appearance. This gives the furniture a lived through vintage look. Because of this treatment, unevenness and small cracks can be extra visible. These are characteristics of coarsely sawn wood. Each one is therefore unique!

This drawer is supplied as a kit with a clear assembly instruction....
