Color finish

concrete grey

Additional description

Basic and modern wooden single bed
Solid pine concrete grey
Includes convenient storage options
H 60 cm x W 213 cm x D 118 cm

The Connect corner bed pine (fsc) concrete grey is an own design from the collection of the Dutch brand WOOD. The bed is suitable for 1 person and has the mattress size 90x200 cm. The shape of the bed runs in a corner. The bed does have a headboard and a closet along the entire width of the bed, including sliding door and no footboard. The bed has a built-in bedside table, as it were. The bed is made of solid pine wood which has an extra sanded finish and a finish in the color concrete gray.

The two storage compartments behind the sliding door have a width of 104 cm and a height of 26 cm. The height of the mattress is 17 cm.

The bed is supplied without slatted frame and mattress.

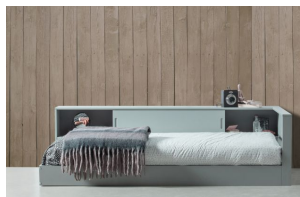

This piece of furniture weighs 36 kg and is supplied as a construction kit, in two sets, with clear assembly instructions.

In the case of hard floors, place felt glides under the underframe to prevent damage to the floor....
