Additional description

Simple, industrial round mirror
Black iron frame
For in the hall, living room or bedroom
Ø80 cm

This generous round mirror Doutzen comes from the collection of the Dutch brand WOODO. Doutzen gives a spatial effect in the interior.

The mirror has a HRP sheet metal edge [hot rolled sheet metal] that is wear-resistant. The steel edge has a matte, black finish. The mirror has a diameter of 80 cm, the edge is 4 mm thick and 5 cm deep. The mirror weighs 9.5 kg. The mirror glass complies with the European standard.

The mirror is powder coated behind the mirror that has a
