VT LOWER CASE FOUR MIXED PINE CONCRETE GREY [fsc]

Color finish

concrete grey

#### Additional description

This vtwonen Lower case cabinet has 4 compartments (38x38), 2 of which close with a door with leather handle and 2 are open. The Lowercase cabinet is made of sanded FSC certified pine wood finished in a concrete grey colour. The nice thing about this cupboard is that there are several elements from which you can compose the cupboard yourself. You can also obtain a loose metal base. So you can use this Lowercase cabinet on its own with frame (sold separately) or combine it with the other variants to create your own!...
