VT LOWER CASE FOUR OPEN PINE CONCRETE GREY [fsc]

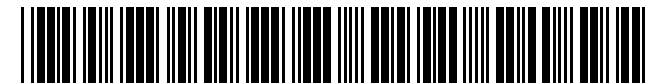

Additional description

This vtwonen Lower case cabinet has 4 compartments (38x38) and is made of sanded FSC certified pine wood finished in a concrete gray color. The nice thing about this cupboard is that there are several elements from which you can compose the cupboard yourself. You can also obtain a loose metal base. So you can use this Lowercase cabinet on its own with frame (sold separately) or combine it with the other variants to create your own!...
