## Additional description

The hanging/laying cabinet Dennis (hxwxd) 202x111x55 cm is an own production of the Dutch brand WOOD. The Dennis cupboard is made of FSC-certified pine, has a brushed finish and is sprayed with a water-based paint in the colour concrete grey. The doors have a vertical V-groove line, the interior of the cabinet is made of melamine and consists of one wide shelf at the top and below on the left a split rod and on the right three split shelves. This cabinet is part of the Dennis room, this room consists of a sofa bed or a bed without walls, a desk, a closet, a storage box, a bedside table and a wall shelf.

Brushed wood: This furniture is made of brushed wood. The veins and knots are accentuated by brushing, giving the wood a long lasting appearance. With this treatment, unevenness, small cracks and knots can be extra visible. These are characteristics of the aged wood. This makes each copy unique!

The Dennis cabinet has a weight of 75.8 kg.

This article is delivered as a simple kit with a clear assembly instruction.
