

# Hunter

**Material** The Hunter collection is made of black oak combined with stainless steel in matte gold.

**Delivery time** The delivery time of the Hunter collection is 4 weeks.

**Possibilities** This collection consists of a wall table, coffee table, dining table in 3 sizes (260, 220 and 190 cm) and with cross leg, a bar cabinet, sideboard, TV sideboard and wall cabinet.

**Maintenance** To keep the Hunter furniture as beautiful as possible, it is important, as with everything you are careful with, to maintain the furniture properly.

Immediately remove stains on the tops; DO NOT rub spilled liquids, but dab it with kitchen paper or an absorbent cloth.

**DO NOT** use silicone-containing furniture care products or a solvent such as stain remover, turpentine, white-spirit, thinner or similar detergents.

Stains can be removed with some water and possibly some natural soap. Beware of cleaning agents with bleach (e.g. lemon) or abrasives are strongly discouraged. For the polished frame it is sufficient to wipe it with a slightly damp cloth.

This way you'll keep your furniture beautiful, so you can enjoy it for a long time.
