woood

Additional description

Tough, comfortable armchair
Coarse melange fabric (100% polyester)
In a warm travertine colour
H 74 x W 146 x D 98 cm

The Bean easy chair is from the collection of Dutch brand WOODO. With the Bean armchair you get a cool item in the house with a robust appearance. Bean is known for its high seating comfort. The design in this coarse melange fabric (100% polyester) feels soft and the warm travertine colour gives your living room instant style. For even more comfort, add a Bean cushion in the same rough melange fabric to the armchair, which is available separately.

Bean armchair (hxwd) 74x146x98 cm has a seat height of 45 cm, a seat width of 85 cm and a seat depth of 65 cm. The armrests are 74 cm high and 32 cm wide. This gives the armchair its robust appearance.

The chair has a high seating comfort. The seat cushion has a filling of T37 foam, a normal foam with a long lifespan, and HR30 foam, a foam with high elasticity, dynamic shape retention and ensures high user comfort. The foam has high air permeability and quickly returns to its original shape.

The back cushion is filled with the same foam for comfortable seating.

For hard floors, place felt glides under the legs. This prevents damage to the floor....
