The Dutch brand WOOD is expanding its Bean series with a super soft fabric line. This coarse rib fabric (100% polyester) in a tough grey tone immediately brings warmth and atmosphere into every living style. Do you also opt for visible and tangible seating comfort? Then this robust 3.5-seater is for you. Style the sofa with Bean cushion in the same coarse ribbing, these cushions are available separately. Bean's sturdy design makes it a powerful eye-catcher in every seating area. With its earthy colour options, the Bean 3.5-seater matches your interior perfectly.

Bean 3.5-seater sofa (hwxwd) 73x246x96 cm has a seat height of 46 cm, a seat width of 192 cm and a seat depth of 66 cm. The armrests are 73 cm high and 27 cm wide. This gives the sofa a nice body.

The frame of the Bean bench consists of chipboard, beechwood, pinewood and plywood.

The sofa has a comfortable
