A generous 4-seater sofa that lives up to its name. This Statement sofa is a real stunner in your living space. The Statement collection by BePureHome is known for its simple design, with robust use of colour and fabric. Statement is made from a flat wide ribbon fabric (53%PES/47%PAC) in a graphite colour which gives the sofa its powerful appearance. The Statement 4-seater has high seating comfort and four generous places to sit. Want more seating space? Then you can expand the sofa with a 1-seater element from the same series, which is available separately. The Statement series contains several sofa configurations and matching seating units. The collection is available in various fabrics and colours.

Statement has a seat height of 45 cm, a seat width of 244 cm and a seat depth of 63 cm. The legs have a height of 15.5 cm and are made of black lacquered birch wood.

This sofa is delivered in separate elements. The elements are easy to connect with each other by means of brackets. For hard floors, use felt glides under the legs. This prevents damage to the floor.
