This generous 4-seater sofa XL offers more than enough room for the whole family. This extra large 4-seater belongs to the Statement collection by BePureHome. The design is basic, but the size certainly makes it stand out! This XL sofa is upholstered in a flat wide ribbed fabric (53%PES/47%PAC) with a luxurious look. The full warm-green hue gives the sofa a rustic look and invites long evenings on the sofa. The Statement series is available in several variants, fabrics and colours.

Statement has a seat height of 45 cm, a seat width of 312 cm and a seat depth of 63 cm. The legs have a height of 15.5 cm and are made of black lacquered birch wood.

This sofa is delivered in separate elements. The elements are easy to connect with each other by means of brackets. For hard floors, use felt glides under the legs. This prevents damage to the floor.

### Maintenance

In the event of any stains, briefly place a moist towel on the stain; this way the towel absorbs the stain. When the towel is saturated, repeat the process until the stain no longer bleeds. Leave the last towel on the stain until the towel has dried. Please note: friction causes the stain to be absorbed into the sofa. Therefore, rubbing is strongly discouraged. Due to the interwoven chenille yarns, there is a risk of shiny spots with frequent use, this effect is similar to use marks on suede fabrics....
