With this Uneven candle holder of the Dutch brand BePureHome you get at any time the golden hour in the house. Place a tealight or blunt candle up to 8 cm wide on the inner plateau. This plateau is 10 cm above the surface. This makes the candle seem to float! Each of these gold-coloured bars has a diameter of 1 cm and is finished in an antique brass finish. The height of this candle holder is 18 cm, the diameter is 12 cm. Uneven is also available in a 24 cm high version, which together makes a playful combination....
