BEAN CORNER SOFA RIGHT HEFTY MELANGE TRAVERTIN

woood

Additional description

Sturdy corner sofa

Coarse melange fabric (100% polyester) in travertine colour

Available in right and left version

H 73 x W 305 x D 96/175 cm

This Bean corner sofa, from the Dutch brand WOOD, has its corner on the right side. This means that the seating area is on the right-hand side when seen from the front. The sturdy Bean series is known for its robust design and comfortable seating. This version in a coarse melange fabric (100% polyester) provides a lot of living comfort. The fabric is strong enough for intensive residential use and easy to clean. Want more comfort? Add the Bean decorative cushions in the same fabric. The decorative cushions are available separately.

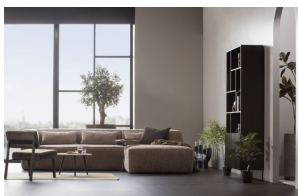

Bean corner sofa (hxwxd) 73x305x96/175 cm has a seat height of 46 cm and a seat depth of 66 cm. The armrests are 73 cm high and 32 cm wide. This gives the sofa a nice body.

The frame of the Bean bench consists of: chipboard, beech and pine.

The sofa has a comfortable, firm seating. The seat cushions have a filling of foam T42, a firm foam with a long lifespan, and HR30, a foam with high elasticity, dynamic shape retention and ensures high user comfort. The foam has high air permeability and quickly returns to its original shape.

The back cushions are filled with the same foam for comfortable seating.

This sofa is delivered in separate elements. The elements are easy to connect with each other by means of brackets. For hard floors, place felt glides under the legs. This prevents damage to the floor....
