Additional description

Tough, comfortable corner sofa
Made of coarse rib fabric (100% polyester) in a travertine colour
Available in left and right version
H 73 x W 305 x D 96/175 cm

This left variant of the Bean corner sofa comes from the collection of the Dutch brand WOOD. The Bean sofa is upholstered in a super soft coarse rib fabric (100% polyester). If you are looking for visible and tangible seating comfort, this Bean corner sofa is your match. Increase the seating pleasure by adding matching Bean decorative cushions in the same coarse rib fabric, which are available separately.

Bean corner sofa (hwxwd) 73x305x96/175 cm has a seat height of 46 cm and a seat depth of 66 cm. The armrests are 73 cm high and 27 cm wide. This gives the sofa a nice body.

The frame of the Bean bench consists of: chipboard, beech and pine.

The sofa has a comfortable, firm seating. The seat cushions have a filling of foam T42, a firm foam with a long lifespan, and HR30, a foam with high elasticity, dynamic shape retention and ensures high user comfort. The foam has high air permeability and quickly returns to its original shape.

The back cushions are filled with the same foam for comfortable seating.

This sofa is delivered in separate elements. The elements are easy to connect with each other by means of brackets....
