Dress up your seating area with this romantic cushion: Bouquet! The Bouquet cushion comes from the collection of the Dutch interior brand BePureHome and is with its attractive prints a nice variation between your decorative cushions. Bouquet is upholstered with a soft, printed velvet (100% polyester, Martindale 100,000). The front and back have a different print in the same colour tone, so both prints fit perfectly in your setting and you can easily change the look.

The Bouquet decorative pillow has a size of 50x50 cm and is filled with a silicon fibre, this strong material ensures an endless shape retention. The decorative cushion has no zip. A stain? You can wash Bouquet on a cold hand wash, let it dry in the air - but not in bright sunlight.

The Bouquet cushion series is available in the colours milk and melon and can be combined with the various sizes: ø45 |
