This grand candlestick is not to be missed! The Reach candlestick comes from the collection of Dutch brand BePureHome and offers space for 5 \varnothing 2 cm candles. This slim candlestick is made of aluminium with a silver finish. This coating ensures that Reach is protected against scratches and heat. Due to its slender design, the candlestick provides a stage for the five candles at height.

The Reach candlestick is 80 cm high, the five arms each have a height of 25 cm and a diameter of 3 cm. The candle falls 2.5 cm into the arm. The slender leg has a height of 56 cm and an average diameter of 4 cm. The foot has a diameter of 24 cm and is fitted with felt protection.

Please note: if candle wax ends up on the candlestick, let it dry and cool down before removing it. The candlestick can be cleaned with neutral soap and lukewarm water...
