Metal frame with antique brass coating  
H 51 x ø 45 cm

This slender Cute side table is a real eye-catcher. Cute is part of the collection of the Dutch brand BePureHome. Cute has a classic marble top with the basic colour white and dark veins. The metal frame of Cute shimmers in the sunlight through the antique brass finish. This golden look not only looks beautiful, but also ensures that the frame is protected against scratches and stains.

The Cute side table has a height of 51 cm. The marble top is ø 44,5 cm and 2 cm high. The edge around the top is 3 cm high, the extra centimetre is on the bottom, and the frame is 0.5 cm thick. The leg is 45 cm high and 35 cm at its widest point. The leg consists of a frame of 3 plates, each with a width of 4 cm.

Marble requires good care, be careful with moisture and stains and read the enclosed instructions carefully before use. Place felt glides under the legs to protect the floor....
