Additional description

A tough eye-catcher
Warm green glassware
Suitable for a light source with an E27 fitting
Dimensions H: 20 x ø31cm

The sturdy pendant lamp Soap of the Dutch brand BePureHome is a real eye-catcher. The atmospheric light is spread by the playful bubbles around the lamp. The length of the black power cord is 1,5 metres. The opening at the bottom has a diameter of 13cm, so the light source can be easily turned in. The fitting is suitable for a light source with E27 socket, Soap will be delivered without light source....
