black

Additional description

Set of two sturdy side tables

Made of pine MDF

Finished with a protective matt black lacquer

H 40 x W 50 x D 50 cm / H 37 x W 40 x D 40 cm

This robust side table set is practical and stylish! The Sanne set of 2 side tables come from the collection of the Dutch brand WOODO. The different heights of the two tables make them look playful, but the possibilities are endless. The table set offers enough space for glasses and snacks, but also as a stage for your most beautiful flowers or plant. You can even use the Sanne tables as an extra seat for the kids or as a footstool.

The larger of the two has the size (hwxwd) 40x50x50 cm, the smaller variant is (hwxwd) 37x40x40 cm. Both tables are made of pine MDF in a matt black lacquer. The underside of the tables is open, the thickness of the wood is 1 cm. The large version weighs 7,5 KG, the small 4,3 KG. Both Sanne tables can carry 20 KG each.

To protect the floor, place felt glides on the underside....
