Bring warmth and comfort into your home with this generous rug Nando. Nando comes from the collection of the Dutch brand WOODO and is also available in a variant of 160x230 cm. The rug is in a warm off-white colour with a rough line pattern in black. This design turns every living room into a warm sitting area.

Nando's generous size ensures unity in the seating area. The rug, measuring 2 x 3 metres, is ideal as a base for seating furniture and large side and coffee tables. The Nando rug can be laid on any floor, even floors with underfloor heating. The rug is made of 100% polyester, the underside is 100% cotton.

The rug is delivered rolled and has a weight of 25 kg. Shape the rug by lightly ironing it with loose fingers. Try to remove stains with lukewarm water and neutral soap, dabbing with a soft cloth. Rubbing and scratching is strongly discouraged...
