Does a dark corner in your house need some green? Then this artificial plant is the perfect solution! This artificial plant Bambusa comes from the collection of the Dutch brand WOODO. The leaves of the Bambusa plant are coloured in a natural shade of green and are attached to the artificial branches by hand. The branches and leaves can be carefully bent to shape the plant as desired. The narrow stems stand in a pot which is filled with a hardened combination of foam and cement. The pot has a black finish, the inside is finished in a ribbed look.

The Bambusa artificial plant is 100 cm high. The width and depth can be adjusted quite a few centimetres, but in its basic form, Bambusa is 110 cm wide and 110 cm deep. The 6 stems have a diameter of 0.5 cm. The pot has a height of 13 cm, the diameter at the top is 16 cm and the bottom is ø13 cm. Bambusa weighs 1,9 kg.

The artificial plant is not suitable for outdoor. Do not place the Bambusa artificial plant in dire...
