Slightly shiny and atmospheric. Decorative cushion Soul, by the Dutch interior brand BePureHome, has a size of 30x50 cm. The cushion cover is made of 100% cotton and has a subtle sheen in a warm hop colour with a quilted pattern. The filling consists of 100% polyester.

The Soul cover has a zip. The cover can be washed inside out by hand in lukewarm water with neutral soap. Do not let the cover dry in the sun or in the machine. To prevent wrinkling after washing, place the cover slightly moist around the cushion filling....
