Additional description

Set of 3 metal side tables
Round design in different heights
Slim metal frame
H 44 cm x ø 55 cm / H 39 cm x ø 48 cm / H 33 x ø 41 cm

The Janna side tables consist of a set of three round tables. This set of side tables comes from the collection of the Dutch brand WOOD and are made of strong metal. The slim metal frame has three different heights and are made so that they can be easily slid under each other. The round table tops have a dark brown finish and therefore bring a warm atmosphere in your home.

The largest variant has a height of 44 cm and a diameter of 55 cm. The middle Janna side table is 39 cm high and ø 48 cm. The small size is 33 cm high and ø 41 cm. The tabletops each have a thickness of 0.5 cm. The slim frame is 1.5x1.5 cm.

The underside of the Janna undersides for protection...
