### Additional description

Robust serving board with natural features  
Made of mango wood with dark brown coating  
Chunky woodwork in a simple design  
H 6 cm x ø 40 cm

The Chloé tray is a robust serving board with characteristic features. Chloé is from the collection of Dutch interior brand WOOD and is made of strong mango wood. The plateau has retained the natural characteristics of the wood, which means that grooves, cracks and pits give the plateau a lot of character. The dark brown coating ensures that stains are easier to remove with warm soapy water and mild detergents.

The Chloé platter has a total height of 6 cm and a diameter of 40 cm. To protect delicate surfaces, place felt glides under the small block legs....
