ENES HANGING LAMP METAL BLACK

woood

Color finish

black

Additional description

Generous hanging lamp with open wire frame
Made of lightweight metal
Matt black finish
H 60 cm x ø 50 cm

The generous Enes hanging lamp, from the collection by the Dutch interior design brand WOOD, is a true eye-catcher in any space. Enes is made of a metal wire frame in matt black. This makes the pendant lamp seem airy and as light as a feather. There is space for a light source with an E27 fitting and a maximum of 25W. Light source is excluded.

The Enes pendant lamp has a height of 60 cm and a diameter of 50 cm. The black synthetic wire has a length of 200 cm and leads to the round ceiling cap of 2,5x10 cm (hxø). Inside this ceiling cap you can easily adjust the wire. The light source is easy to install and replace via the opening at the bottom (Ø 14 cm).

The Enes pendant lamp is connected to the mains power supply of the home. Please read the user manual carefully before installation....
