Additional description

Pendant lamp with chic, stylish design
Made of glass and metal with antique brass coating
Suitable for two light sources with E27 fitting (exclusive)
H 236 cm x ø 33 cm (shade height: 13 cm)

This Safa pendant lamp comes from the collection of the Dutch brand WOOD and is made of metal with an antique brass coating. The underside is made of warm brown-coloured glass which gives the light an atmospheric glow.

The Safa is available in a horizontal version and a vertical one. The horizontal version has a metal shade 10 cm high and ø 33 cm. The bottom is made of glass and is 3 cm high. The glass can be unscrewed to easily install the two light sources. Above the lampshade, there is a metal rod to protect the wire, which is 21 cm high and ø 2 cm. The wire has a total length of 200 cm and can be shortened in the ceiling cap. The ceiling cap is 2.5 cm high and ø 10 cm.

The WOOD Safa hanging lamp weighs over 3 KG and comes with a clear assembly instruction. These explain how to install the lamp. Please read this carefully...
