The Nové rug from the collection of Dutch brand WOOD is soft and comfortable on your feet and gives a warm atmosphere and good base to any room. The Nové rug is made of 100% polyester with a graphic black/white print. The underside of the Nové rug is not breathable. It is therefore not recommended to place the rug on floors that can be heated.

Maintenance

To enjoy the rug for as long as possible, it is recommended to regularly vacuum the rug without a brush and to regularly rotate it to avoid walking on the rug. In case of stains, remove these with a damp cloth....
