The side table set of two forms a playful pair. The Suze side tables are from the collection of Dutch brand WOOD and are suitable for both indoor and outdoor use. The table tops are formed from strong plywood and finished with a metal coating, which provides a waterproof layer. The metal legs have a slim shape and are finished in matt black.

Both tables have a top with a diameter of 53 cm. The high version is 42 cm high, the low version is six cm lower: 36 cm. The table tops are each 2 cm thick.

When the Suze side tables are placed indoors, it is advisable to place felt glides under the legs to protect hard floors...
