Bookazine is an attractive, modern desk from the collection of the Dutch brand vtwonen. Bookazine is made of walnut veneer with a brown finish. This gives the desk a warm appearance. The black leather handles in combination with the black metal frame also give the desk a modern and sturdy character. The worktop offers enough space for a nice workplace.

Bookazine is fitted with one drawer with two black leather handles. The contents of this drawer are 10.5 cm high, 120 cm wide and 40 cm deep. The worktop is 117 cm wide and 41 cm deep, the 10 cm high edge provides a nice partition. The slim legs are 64 cm high and 2x2 cm. At 20 cm above the ground there is a bar to ensure the stability of the desk.

For hard floors, place felt glides under the legs. This prevents damage to the floor. The article is delivered as a simple construction kit with clear assembly instructions....
