Add a statement decorative cushion to your seating area. Cushion Valery, by the Dutch interior brand WOOD, has a size of 45x45 cm. The cushion cover is made of 100% cotton and has a graphic print in the dark cast iron colour, a warm brown and sand shade and a vibrant ochre yellow. The filling consists of 100% polyester.

The Valery cover has a zip. The cover can be washed inside out by hand in lukewarm water with neutral soap. Do not let the cover dry in the sun or in the machine. To prevent wrinkling after washing, place the cover slightly moist around the cushion filling....
