The Dutch interior label BePureHome has added a unique sofa unit to its collection. The Kaleidoscope sofa consists of expressive seating elements and is suitable for any interior. The elements are available in three soft velvet variants (100% polyester): velvet (Martindale: 100,000), printed velvet (Martindale: 100,000) and structure velvet (Martindale: 85,000). As the elements are upholstered on the five visible sides, they can easily be placed freestanding or in any desired arrangement. All Kaleidoscope velvets are carefully chosen from a warm BePureHome colour collection and are perfect for a nice mix and match composition.

This sturdy 1-seater has a height of 73 cm, width of 90 cm and depth of 100 cm. The seat
