The Bequest coffee table is part of the Bequest series by Dutch interior brand BePureHome. The Bequest series is made of old pinewood and has the characteristic design of carved woodwork on the drawer and door fronts. The antique black finish gives this furniture its aged look. The metal base ensures that Bequest can carry a lot of weight (80 KG) and is stable on straight surfaces.

The Bequest coffee table is 46 cm high, 120 cm wide and 60 cm deep. The two drawer fronts are 18 cm high and 56 cm wide. The capacity of a drawer is 15x51x52 cm (hxwx d). The metal legs have a height of 17 cm and taper from ø3cm at the top to ø2cm at the bottom.

Place felt glides under the legs to protect hard floors from damage....
