FAMILY CORNER ELEMENT WOVEN FABRIC WARM GREY

vtwonen

Additional description

Generous, connecting corner element
Combine in endless possibilities
Upholstered on all sides
H 85 cm x W 96 cm x D 96 cm

Meet the Family! The Family sofa elements of the Dutch interior design brand vtwonen can be combined endlessly. Family has several element options which are upholstered on all sides, so you can easily place an element loose in the room. The elements are easy to connect by the crocodile jaws at the bottom. The Family elements are upholstered in a woven fabric, with a washed appearance, of 100% polyester and with a Martindale of 90,000. The five greyish shades create a warm look in every interior. How big will your Family be?

This corner element has a total height of 85 cm and is 96 cm wide. The depth of the total element is 96 cm. The two loose back cushions with zip have a comfortable thickness of 20 cm and are very soft. The loose seat cushion with zip is also 20 cm thick. The seating area is 60 cm wide and 60 cm deep. The seat height of the Family elements is 44 cm.

The legs under the Family elements are 3 cm high and have a diameter of 4 cm. To protect hard floors, place felt gliders on the underside. The cushion covers have a zip and can be washed at 30 degrees with a neutral detergent. Do not tumble dry or dry in direct sunlight, as this can cause discolouration of the fabric. Impregnation of the sofa is not considered necessary....
