### Additional description

Robust side table with slatted leg  
Made of strong pine wood  
Available in two sizes  
H 40 cm x ø 80 cm

This side table is a striking example because of the sturdy slatted leg, which makes Slats compact and transparent at the same time. The Slats Low side table comes from the collection of the Dutch interior brand vtwonen and is available in two sizes. Slats is made of strong pine wood and finished in a matte black colour.

Slats Low has a height of 40 cm. The tabletop is ø 80 cm and has a thickness of 2 cm. The slats of the leg are connected to wooden rings.

To protect hard floors, place felt glides at the bottom. Due to its compact construction, the Slats Low side table has a load-bearing capacity of 70 KG. The side table is delivered in two packages with simple assembly instructions....
