Additional description

Strong dining chair with simple design
Made of solid ash wood
Available in matte black and natural
H 77 cm x W 53 cm x D 52 cm

The Karel dining chair is from the collection by Dutch brand WOOD and is striking for its simple design. Karel is made of solid ash and finished with a transparent coating. The Karel dining chair lends itself well as a resting point in an exuberant dining area or as a stable force in a neutral interior style.

The Karel dining chair is 77 cm high, 53 cm wide and 52 cm deep. The seat height is 47 cm, the seat width and depth is 41.5 cm. The legs of the Karel dining chair are 45 cm high. Because of its simple design the Karel dining chair is very stable and has a load-bearing capacity of 200 KG.

Karel is delivered assembled. To protect hard floors, place felt glides under the legs....
