The generous Micah pendant lamp, from the collection by the Dutch interior design brand WOOD, is a true eye-catcher in any space. Micah has a shade of matt white-coloured glass. This allows the pendant lamp to show light. There is room for one light source with an E27 fitting and a maximum of 40W. Light source is excluded.

The Micah pendant lamp has a height of 27 cm and a diameter of 27 cm. The black synthetic wire has a length of 150 cm and leads to the round ceiling cap of 1,5x10 cm (hxø). Inside this ceiling cap you can easily adjust the wire.

The Micah pendant lamp is connected to the mains power supply of the home. Please read the user manual carefully before installation....
