Additional description

Pendant lamp with chic, stylish design
Made of glass and metal with antique brass coating
Suitable for a light source with E27 fitting (not included)
H 242 cm x ø 20 cm (shade height: 39 cm)

This Safa pendant lamp comes from the collection of the Dutch brand WOOOD and is made of metal with an antique brass coating. The underside is made of warm brown-coloured glass which gives the light an atmospheric glow.

The Safa is available in a horizontal version and a vertical one. The vertical version has a metal shade of ø 20 cm. The underside is made of glass. The glass can be unscrewed for easy installation of the light source. Above the lampshade, there is a metal rod to protect the wire, which is 21 cm high and ø 2 cm. The wire has a total length of 200 cm and can be shortened in the ceiling cap. The ceiling cap is 2.5 cm high and ø 10 cm.

The WOOOD Safa hanging lamp weighs over 2 KG and comes with a clear assembly instruction. These explain how to connect the lamp to the mains power in your home. Please read this carefully....
