Additional description

Dining chair made of plastic
Suitable for in- and outdoor use
Stackable
H 82 cm x W 51 cm x D 50 cm

The Billie dining chair is a very flexible addition to the dining area. Billie comes from the collection by Dutch brand WOODOOD and is suitable for both indoor and outdoor use. The Billie dining chair is made of plastic in timeless black. Extra handy; Billie is stackable and therefore easy to store!

The dining chair has a total height of 82 cm, the seat height is 46 cm. The seat width is 42 cm and seat depth is 40 cm. The backrest is 40 cm high, measured from the seat. The legs are 39 cm high and have a diameter of 3 cm. To protect hard floors indoors, place felt glides under the legs.

The Billie dining chair has a maximum capacity of 150 kg and is delivered assembled. The plastic dining chair is easy to keep clean with a slightly damp, clean cloth....
