This generous vase is from the collection of the Dutch brand WOOD. The Kari vase is made of metal with a weathered brown colour coating. The block pattern gives the vase a robust and lived-in look.

The Kari vase is 60 cm high. The vase has a diameter of 17 cm, the opening is ø 13 cm and tapers in a trumpet shape to ø 7 cm. The block pattern covers the bottom 44 cm.

To protect the base, place felt glides on the underside. Please note: the Kari vase is not waterproof. This makes Kari perfect for presenting a beautiful bunch of dried flowers or branches.

The generous Kari vase is available in two sizes: L (60 cm) and XL (70 cm)...
