This generous vase is from the collection of the Dutch brand WOOD. The Kari vase is made of metal with a weathered brownish coating. The block pattern gives the vase a robust and lived-in look.

The Kari vase is 70 cm high. The vase has a diameter of 19 cm, the opening is ø 15 cm and tapers in a trumpet shape to ø 9 cm. The block pattern covers the bottom 54 cm.

To protect the base, place felt gliders on the underside. Please note that the Kari vase is not waterproof. This makes Kari perfect for presenting a beautiful bunch of dried flowers or branches.

The generous Kari vase is available in two sizes: L (60 cm) and XL (70 cm)....
