The Hanna drying rack with its simple design is an item that is easy to combine with various interior styles. The Hanna drying rack comes from the collection of the Dutch interior label WOOOD and is very lightweight. Hanna is made of strong metal with a matt black powder coating. The handy bars offer enough hanging space for smaller towels. Also ideal for use in the bathroom.

Hanna's frame is 3x0.3 cm. The four holes to attach Hanna to the wall are located at the back (ø0.4 cm) with a spacing of 58 cm, and 4.5 cm above each other. the three bars have a diameter of 1 cm and a spacing of 4.5 cm. The bottom rail is ø 1,5 cm.

The fixing material is not included. Make sure you use the right plugs and screws for the wall. When properly attached, the Hanna drying rack can carry 10 kg....
