## Additional description

Robust side table with luxury touch  
Black MDF wood with marble print  
Available in two sizes  
H 45 x W 40 x D 40 cm

This sturdy Benji side table is from the collection of the Dutch brand WOOD. With its square shape the Benji is very flexible in use, the six sides are all closed. Benji is hollow inside, which limits the weight to 10 kg.

The Benji side table is 45 cm high, 40 cm wide and 40 cm deep. To protect hard floors, place felt glides under the side table, this prevents scratches. The Benji side table is also available in a larger version of 60x60 cm, a nice duo to combine! Benji is easy to keep clean with a dry, soft cloth....
